

## Market America Presents

### THE LEADERS IN ANTI-AGING, WEIGHT MANAGEMENT AND CARDIOVASCULAR SCIENCE AND MEDICINE

#### **Dr. Steven Lamm**

Dr. Lamm's presentation will include an informative segment on Market America's exclusive line of Isotonix® products, with a special emphasis on our popular OPC-3®. Dr. Lamm earned his medical degree from NYU School of Medicine and his bachelor's degree from Columbia University. Following his internship at Bellevue Hospital in New York City, he became senior chief resident at NYU's Department of Medicine. He currently serves as NYU Clinical Professor at Bellevue and as an advisory member for several major pharmaceutical concerns. A prolific media personality and consultant, Dr. Lamm hosts a syndicated radio program, "Age Breakers," on NPR. He has appeared on such programs as "Oprah," "Today," "Nightline," "Dateline," in addition to Fox News, the BBC and over 200 network programs discussing a variety of health and medical topics. His published works on health and vitality topics include *The Hardness Factor*, *The Virility Solution* and *Younger at Last*.

#### **Dr. Shari Lieberman**

Dr. Lieberman will be on hand to enlighten you about the Company's exciting Transitions™ Weight Management System. In private practice, as a clinical nutritionist for more than 20 years in New York City, Dr. Lieberman earned her Ph.D. in Clinical Nutrition and Exercise Physiology from The Union Institute of Cincinnati, Ohio, and earned her M.S. degree in Nutrition, Food Science and Dietetics from New York University. She is a Certified Nutrition Specialist, a Fellow of the American College of Nutrition, a member of the New York Academy of Science and a member of the American Academy of Anti-Aging Medicine. Dr. Lieberman's best-selling book, *The Real Vitamin & Mineral Book*, is now in its third edition. She is also a contributing editor to the *American Medical Associations' 5th Edition of Drug Evaluations*.

#### **Dr. Jeffrey Kamlet**

Dr. Kamlet will lead a discussion that details Market America's new and innovative Heart Health™ System. He earned his B.S. degree in Biology at Farleigh Dickinson University and received his medical doctorate from the State University of New York. Dr. Kamlet is certified as an Advance Cardiac Life Support, Advanced Pediatric Life Support and Advanced Trauma Life Support practitioner and instructor. His practice currently incorporates cutting-edge weight loss, anti-aging and nutrition approaches. He is on staff for both Internal Medicine and Addiction Medicine at Mount Sinai Medical Center in Miami Beach, Florida, and is board certified in Bariatric Medicine. A Diplomat of the American Board of Bariatric Medicine, Dr. Kamlet is one of the founding members of the American Association of Professional Ringside Physicians.

#### **Dr. Robert Goldman**

Anti-aging pioneer Dr. Robert Goldman will be on stage to deliver a lecture about the life-changing cutting-edge products that make up the Company's Anti-Aging Store. Dr. Goldman has devoted his multi-faceted career to the advancement of human health and performance. He is the chairman of the International Medical Commission overseeing the sports medicine committees in over 176 nations. He is a Fellow of the American Academy of Sports Physicians and a Board Diplomat in Sports Medicine and Anti-Aging Medicine. He is also founder and international president of the National Academy of Sport Medicine and co-founder and chairman of the American Academy of Anti-Aging Medicine.
